Tucked away in a serene, forested setting, this home has tremendous character. Privately located up a winding driveway and a short path to the house. The split level style adds to a warm and cozy feel from top to bottom. The ceilings above the main floor are vaulted with clearstory windows that allow more light in. There are two bedrooms, two ensuite bathrooms and the option of a third bedroom in a flex room on the ground level. Quiet deck and patio space in the back yard nurtures the feeling of being away from it all.
