Bowen Island offers some of the most beautiful West Coast ocean scenery to be found anywhere in British Columbia. So close and yet so far from the hustle and bustle of the metropolis of Vancouver. Its only a 20 minute ferry ride away but enough time to transition from City life to Bowen tranquility. This property is one of the last remaining undeveloped lots in King Edward Bay and epitomizes the best of Bowen with views over Collingwood Channel, Islands and the Sunshine Coast. Services at the lot line and one lot back from the waterfront. The building site is located on a flat bluff prepped to build. A short walk to King Edward Bay beach.
